# Sponsorship=Partnership

---

LABCON sponsorship aligns your company with one of the most reputable conferences in the medical laboratory industry in Canada and the only national conference for the profession. Your support demonstrates your commitment to the laboratory profession and the continuous delivery of high quality products and services.

We understand how important it is to see a return on your sponsorship dollars. With this in mind, CSMLS provides post-event reports to our sponsors which include conference statistics and delegate demographic information. In addition, we now provide participant lists of everyone who has indicated their willingness to share this information.

From the time you sign on until the post-event reports are sent, CSMLS will work with you every step of the way to ensure this partnership is a success!

## **Contract Acceptance**

CSMLS reserves the right to accept or to refuse exhibitor contracts from any exhibitor. Once an exhibitor is setup on the show floor, CSMLS may require a modification or removal of its booth, or any part thereof, including printed material, products, signs, lights or sound should CSMLS consider such exhibit to be detrimental to its business, professional or ethical interests or if presentation is objectionable to CSMLS or to other show participants.

## **Cancellation**

If an exhibitor fails to pay by 30 days prior to start of conference, CSMLS has the right to reassign the booth. If the conference is cancelled, a full refund will be issued. If the conference is postponed or relocated, exhibitors will have the option to cancel with total refund.

## **Competing Events**

## **Subletting/Sharing**

Subletting or sharing of exhibit space is prohibited except between affiliated companies and must have prior approval.

Packing up or dismantling exhibits will not be permitted until the official closing time. Doing so will result in your company receiving last choice for booth assignment the following year.

## **Distribution of Material**

Distribution of advertising materials at the hotel or conference centre is limited to distribution from within your booth. This restriction also applies to outside the hotel or conference centre such as near entrances or shuttle bus locations. Any such material found will be discarded. Anyone handing out materials outside of their exhibit booth will be removed from the facility. Distribution of advertising materials in hotels is prohibited including promotional pieces slipped under guestroom doors or stacked on registration counters. ## **Insurance**

While every effort will be made to provide security for exhibits in the trade centre, neither CSMLS nor the conference centre will assume responsibility for loss or damage to exhibits or other exhibition property.
