Sponsorship=Partnership

LABCON sponsorship aligns your company with one of the most reputable conferences in the medical laboratory industry in Canada and the only national conference for the profession. Your support demonstrates your commitment to the laboratory profession and the continuous delivery of high quality products and services.

We understand how important it is to see a return on your sponsorship dollars. With this in mind, CSMLS provides post-event reports to our sponsors which include conference statistics and delegate demographic information. In addition, we now provide participant lists of everyone who has indicated their willingness to share this information.

From the time you sign on until the post-event reports are sent, CSMLS will work with you every step of the way to ensure this partnership is a success!

2026 Partnership

All companies are not uniform so why do most conferences make the sponsorship packages uniform?

LABCON allows companies choose from high impact, pre-determined sponsorship levels as well as exclusive lower-cost à la carte options.

Looking for something different? Contact us and we can customize a sponsorship to align with your company goals or budget! Contact us at events@csmls.org for more information.

All opportunities are designated as “LABCON” (available during the conference) or “CSMLS” (available throughout the year).

Cancellation

If an exhibitor fails to pay by 30 days prior to the start of the conference, CSMLS has the right to reassign the booth. If the conference is cancelled, a full refund will be issued. If the conference is postponed or relocated, exhibitors will have the option to cancel with a total refund.

Subletting/Sharing

Subletting or sharing of exhibit space is prohibited except between affiliated companies and must have prior approval.

Packing up or dismantling exhibits will not be permitted until the official closing time. Doing so will result in your company receiving last choice for booth assignment the following year.

Distribution of Material

Distribution of advertising materials at the hotel or conference centre is limited to distribution from within your booth. This restriction also applies to outside the hotel or conference centre such as near entrances or shuttle bus locations. Any such material found will be discarded. Anyone handing out materials outside of their exhibit booth will be removed from the facility. Distribution of advertising materials in hotels is prohibited including promotional pieces slipped under guestroom doors or stacked on registration counters. Insurance

While every effort will be made to provide security for exhibits in the trade centre, neither CSMLS nor the conference centre will assume responsibility for loss or damage to exhibits or other exhibition property. CSMLS requires that each exhibiting company secure a rider policy through its insurance agent to cover all booth and display items during transportation to and from the conference as well as during installation, show dates and dismantling.

The hotel doors will be locked. Exhibitors must carry their own fire, theft and other insurance. No one is permitted to enter the exhibit area without proper identification, which will be issued at the conference registration desk.
